RB 150

Wheelchair Lift

Barduva RB 150 is a Wheelchair Lift, also known as Low Rise Platform Lift, which provides internal or external vertical travel up to 3 meters. Our Wheelchair Lift can accommodate changes in level from 500 mm up to 3000 mm in commercial and domestic environments and is appropriate alternative solution to a fully enclosed platform lift.

RB 150 is specifically designed for applications with little or no alterations to existing buildings, the open type design offers

an aesthetically pleasing solution with brushed stainless steel finish as standard. The lift provides a safe and easy way to gain access to a property where stairs would otherwise prevent wheelchair access.

It is designed to give customers choice and flexibility.

RB 150 Wheelchair Lift is a space saving and cost effective way to provide access for everyone to your home or workplace.

All our lifts are supplied with a 24-month warranty, as standard, and we offer a range of maintenance and service options, which can be tailored to suit your specific requirements.
